Work Experience

Lead Instructor/Lab Mentor

ICode - Cypress, TX

April 2024 to Present

My responsibilities as a lab mentor are to assist the lead instructor in coding classes, some classes included block coding using Scratch or Minecraft Education; video game development using Construct 3 or Roblox Studio. Over the summer I lead classes in 3D modeling and 2D animation. I am also responsible for learning the curriculum needed in a timely manner and with full understanding in order to clearly and fully teach the content.

On Call Banquet Server

Cotton Holdings, Inc.-Houston, TX

May 2021 to Present

I work an on call position where I help set up, serve, and clean up buffet style lines at events. Some of my responsibilities include serving and informing guests what food is being serve, reporting whenever more is needed, and basic clean up and take down.

Substitute Teacher/Assistant

ChildCare Careers-Houston, TX

August 2023 to September 2023

I worked an on call position where I would go to help schools with after school programs, such as YMCA and Kidventure. I was also tasked with helping supervise children of school age while they waited for pickup.
